REQUEST FOR CORRECTED FILING RECEIPT

SIR:

Upon customary review of this application in preparation for payment of the Issue Fee, an error in the official filing receipt was noted. A copy of that official filing receipt is attached hereto as "Exhibit A." The error is in the claim to domestic priority under 35 U.S.C. § 120 made at the time the application was filed.

At the time that the application was filed, Applicants submitted "Form PTO/SB/29" (Continuation Application Request Transmittal Form), a copy of which is attached to this letter as "Exhibit B." This form correctly stated that the application was being filed as a continuation of and claiming priority to application ser. no. 09/080,237, filed May 18, 1998 (now U.S. Patent No.).

However, Applicants also submitted a form entitled "Utility Patent Application Transmittal," a copy of which is attached as "Exhibit C," which erroneously stated that the application was a continuation of application ser. no. 09/219,373, which is directed to completely unrelated subject matter.
